RE: "Event of Municipal Significance" Request – The Village Festival 2017

The Church Wellesley Village Business Improvement Area is in the process of planning for a special street closure for the Village Festival 2017. The Village Festival, traditionally held the weekend before Pride festivities, celebrates the LGBTQ community showcasing local talent and businesses.

We are requesting that this event be considered an "Event of Municipal Significance."

The event will require street closure from Saturday, June 17th, 2017 at 9am through Monday, June 19, 2017 at 2am. Extended food and beverage patio service will adhere to the following schedule:

|  |                              |
|--|------------------------------|
| Saturday, June 17 <sup>th</sup> , 2016 | 11:00am – 12:00am (midnight) |
| Sunday, June 18 <sup>th</sup> , 2016   | 11:00am – 12:00am (midnight) |

*\*Last call for alcohol service on the extended patios will be 11:00pm.*

Programmed as a neighbourhood "block party," there will be a single stage located at the northwest corner of Church Street and Maitland Street, where entertainers booked for this event will perform.

The street closure will extend from the north side of Wood Street at Church Street, to the south side of Gloucester Street at Church Street. In addition, approximately 100 feet of Maitland Street, both east and west of Church Street, and 100 feet of Alexander Street, both east and west of Church Street, will be included in the street closure perimeter. As well, approximately 100 feet of Dundonald Street west of Church Street and all of Monteith Street will also be part of this closure. Vehicle access to Monteith Street will be escorted by a paid duty police officer or security officer to and from Gloucester Street. Vehicles exiting from Monteith Street will be escorted north on Church Street to Gloucester Street.

On behalf of several Licensed Bars and Restaurants within The Village BIA's boundaries, the BIA is submitting applications to the Alcohol and Gaming Commission of Ontario.

This AGCO request is with respect to a temporary extension of approximately 5 feet on to the public roadway on Church Street and similar temporary extension on Maitland Street.
