INDIE WEEK CANADA
NOV 7 - NOV 12

Re: Extension of hours of alcohol services during Indie Week Canada 2017

To: The Toronto and East York Community Council,

This letter is a request that INDIE WEEK CANADA 2017 be declared an event of municipal significance for liquor licensing purposes, and to permit extended liquor licenses until 4:00am from Tuesday, November 7 to Sunday, November 12 (including to 4:00am Monday, November 13).

Indie Week is a music festival that showcases independent artists (solo acts along with full bands) from all over the world. It provides artists with opportunities to showcase in front of individuals in the music industry, gain exposure to press and media, and is a great networking opportunity that allows artists to promote their music with the intent of generating industry interest.

Due to the high volume of artists that participate during the festival, by extending hour of operations for the venues (listed below), this allows Indie Week to curate and program all artists into showcases, maximizing their exposure to the media, industry, and also expanding their fanbase. Participating venues will also be able to boost revenue for the event, amongst other local businesses (Taxi's, Food establishments, Toronto Transit Commision, Hotel, etc)

As this will be the 15th year of the festival, all attendees have grown to expect participating venues to be open until 4AM, thus it is crucial that the festival provide continuity to all attending/participating.

The following licensed establishments are registered as partner venues to this year's festival, and will be utilized as the main meeting areas for artists, industry, and the general public: Brooklyn Bar, The Baby G, Bovine Sex Club, The Cameron House, Cherry Cola's Rock N Rolla Cabaret & Lounge, The Dakota Tavern, The Garrison, Nocturne, The Paddock Tavern, The Painted Lady, Stop Drop & Roll (Rancho Relaxo), Edenhall, The Peacock, Disgraceland, The Hideout (The Nest), B-Side's (Touche Studio Lounge), Maison Mercer, The Everleigh.

Indie Week requests to have these venues' hours of alcohol service extended to 4:00am between TUESDAY NOV 7 to SUNDAY NOV 12
