## **SUMMARY**

---

The purpose of this report is to provide the Audit Committee and City Council with the status of financial statement audits of the City's Agencies and Corporations for the year ended December 31, 2017.

The majority of the audits of the City's Agencies and Corporations have been completed and approved by their respective Boards. Any financial statements that are outstanding will be forwarded to Audit Committee as they become available.

## **RECOMMENDATIONS**

---

The Auditor General recommends that:

1. City Council receive this report on the status of the financial statement audits of the City's Agencies and Corporations for the year ended December 31, 2017.

## **FINANCIAL IMPACT**

---

The recommendation in this report has no financial impact.

## **DECISION HISTORY**

---

The protocol relating to financial statements and management letters for City Agencies requires the governing body of each entity, subsequent to approval and review, to submit copies of audited financial statements and management letters to the City's Audit Committee for information purposes. Management responses are to be appended to each management letter. The Audit Committee also requested that financial statements and management letters be tabled together at the Audit Committee.

Agencies are also responsible to provide the Audit Committee with audited financial statements and information about subsidiaries, joint ventures and equity interests and the financial statements of subsidiaries. The Auditor General is responsible for following up with the Agencies to ensure timely submission of the required information.

The annual audited financial statements for City Corporations are submitted to the Executive Committee and City Council through a report from the City Manager's Office as part of annual shareholder meetings. Once City Council has adopted the financial statements of the City Corporations, they are forwarded to the Audit Committee for information. The City Manager's Office is responsible for coordinating the provision and timely submission of the required information from City Corporations.
