

## REPORT FOR INFORMATION

# Amendment to Attachment 10 of the Pollinator Protection Strategy report

**Date:** April 23, 2018  
**To:** City Council  
**From:** Director, Environment and Energy  
**Wards:** All

### SUMMARY

---

The purpose of this report is to correct an error on page 15 of Attachment 10 to the Pollinator Protection Strategy report.

### FINANCIAL IMPACT

---

There are no financial impacts resulting from this report.

The Acting Chief Financial Officer has reviewed this report and agrees with the financial impact information.

### DECISION HISTORY

---

The Pollinator Protection Strategy report was considered by Parks and Environment Committee on April 9, 2018 and was adopted with amendments.

The decision document can be viewed here:

<http://app.toronto.ca/tmmis/viewAgendaItemHistory.do?item=2018.PE26.7>

### COMMENTS

---

Attachment 10 is a background document summarizing the public consultation process in 2016 and 2017.

There is an error on page 15 of Attachment 10. There were two events held on April 22, 2017 and the locations for these events were inadvertently switched.

Councillor Doucette's Environment Day should be listed as being held at Sir Casimir Gzowski Park, and Councillor Perks' Environment Day should be listed as being held at Sorauren Park.
