Bill No. ~

BY-LAW No. XXXX-2018

To amend General Zoning By-law 438-86 of the former City of Toronto, as amended, with respect to the lands municipally known in the year 2018 as 21 Don Valley Parkway, 30 Booth Avenue, and 375 and 385 Eastern Avenue.

Whereas Council of the City of Toronto has the authority to pursuant to Section 34 of the Planning Act, R.S.O. 1990, c. P. 13, as amended, to pass this By-law; and

Whereas Council of the City of Toronto has provided adequate information to the public and has held at least one public meeting in accordance with the Planning Act; and

Whereas authority is given to Council by Section 34 and Section 36 of the Planning Act, R.S.O. 1990, c.P. 13, as amended, to impose the holding symbol (H) and to remove the holding symbol (H) when Council is satisfied that the conditions relating to the holding symbol have been satisfied; and

Whereas the Official Plan for the City of Toronto contains provisions relating to the use of Holding (H) symbol with conditions in the zoning By-law; and

Whereas the Official Plan for the City of Toronto contains provisions relating to the authorization of increases in height and density of development; and

Whereas pursuant to Section 37 of the Planning Act, a By-law under Section 34 of the Planning Act, may authorize increases in the height and density of development beyond those otherwise permitted by the By-law and that will be permitted in return for the provision of such facilities, services or matters as are set out in the By-law; and

Whereas subsection 37(3) of the Planning Act provides that where an owner of land elects to provide facilities, services and matters in return for an increase in the height or density of development, the municipality may require the owner to enter into one or more agreements with the municipality dealing with the facilities, services and matters;

Whereas the owner of the aforesaid lands has elected to provide the facilities, services and matters hereinafter set out; and

Whereas the increase in height and density permitted beyond that otherwise permitted on the aforesaid lands by By-law No. 438-86 as amended, is permitted in return for the provision of the facilities, services and matters set out in this By-law which is secured by one or more agreements between the owner of the land and the City of Toronto;

The Council of the City of Toronto enacts:

1. Pursuant to Section 37 of the Planning Act, and subject to compliance with this By-law, the increase in height and density of development permitted is permitted beyond that
otherwise permitted on the lands shown on Map 1 in return for the provision by the owner, at the owner’s expense of the facilities, services and matters set out in Appendix 1 hereof and which are secured by one or more agreements pursuant to Section 37(3) of the Planning Act that are in a form and registered on title to the lands, to the satisfaction of the City Solicitor.

2. Where Appendix 1 of this By-law requires the owner to provide certain facilities, services or matters prior to the issuance of a building permit, the issuance of such permit shall be dependent on satisfaction of same.

3. The owner shall not use, or permit the use of, a building or structure erected with an increase in height and density pursuant to this By-law unless all provisions of Appendix 1 are satisfied.

4. Upon execution and registration of one or more agreements between the City and the owner of the lot on title to the lot pursuant to Section 37 of the Planning Act, securing the provision of the facilities, services and matters set out in Schedule A hereof, the lands identified on Map 1 are subject to the provisions of this By-law, provided that in the event the said agreement(s) requires the provision of a facility, service or matter as a precondition to the issuance of a building permit, such building may not be erected or used until the owner of the lands identified on Map 1 has satisfied the said requirement or precondition.

5. Wherever in this By-law a provision is stated to be conditional upon the execution and registration of an agreement(s) entered into with the City pursuant to Section 37 of the Planning Act, then once such agreements(s) has been executed and registered, such conditional provisions shall continue to be effective notwithstanding any subsequent release or discharge of all or any part of such agreement.

6. Except as otherwise provided herein, the provisions of By-law 438-86, as amended, shall continue to apply to the lot.

7. District Maps 52G-321 and 52G-322 contained in Appendix ‘A’ of By-law No. 438-86, being “A By-law to regulate the use of land and the erection, use, bulk, height, spaces of and other matters relating to buildings and structures and to prohibit certain uses of lands and the erection and use of certain buildings and structures in various areas of the City of Toronto” as amended, is further amended by rezoning from "I3 D5" and "I2 D5" to “IC(H)”, and “G(H)” the lands identified as "IC(H)" and "G(H)" as outlined on Map 2 attached to and forming part of this By-law.

(d) The location, design and provision of existing and planned transportation networks, both on and off-site, to support re-development have been secured to the satisfaction of the City, including any additional required easements, setbacks or roadway conveyances.

(e) A report to the satisfaction of the City is provided on ongoing monitoring of transportation and traffic management measures' effectiveness prior to the release of any phase of development approved beyond the initial phase of substantial development following the lifting of the (H).

(f) Satisfactory arrangements are in place to secure the provision of municipal infrastructure, including sewer, water and stormwater networks to service the proposed development to the satisfaction of the City.

(g) Registration of a plan of subdivision and/or entering into a subdivision agreement and/or other implementing agreements, as required, at the owner's expense, to the satisfaction of the City.
(h) Construction of, or the securing through an agreement the construction of, railway corridor risk mitigation measures, in accordance with a derailment safety assessment prepared by a qualified consultant all to the satisfaction of the Chief Planner and Executive Director, City Planning, and Metrolinx.

(i) Securing acceptable streetscape plans for all streets surrounding the development site to the satisfaction of the City.

(j) Approval of a compatibility study or studies to the satisfaction of the City in consultation with the Ministry of the Environment and Climate Change, evaluating how potentially sensitive uses within the given phase and within 1,000 metres of existing major facilities such as the Enbridge facility located at 405 Eastern Avenue and the City works yard located at 433 Eastern Avenue and 50 Booth Avenue, would affect the ability of those facilities to carry out normal business activities. The compatibility study or studies shall also evaluate potential adverse effects from odour, noise and/or other contaminants on anticipated users of the proposed sensitive uses, and recommend how potential adverse effects will be mitigated to minimize risk to public health and safety and to ensure the long term viability of major facilities. Mitigation measures shall be implemented by the proponent of development and secured before the H is lifted, to the satisfaction of the City.

(k) Approval of emergency servicing, including fire service capacity for the given phase and/or development, to the satisfaction of the City.

Notwithstanding subparagraph 8(d), Map 2 and the holding ("H") provisions of this Section, redevelopment of the building generally illustrated by the outline on Map 2, formerly known as Building 36 of the Unilever Plant, as well as any additions and expansions to thereto, is permitted prior to the removal of the “H” holding symbol, provided that all other sections of this By-law are complied with.

(a) Pursuant to Section 37 of the Planning Act, and subject to compliance with this By-law, the increase in height and density of the development is permitted beyond that otherwise permitted on the lands shown on Map 1 in return for the provision by the owner, at the owner's expense of the facilities, services and matters set out in Schedules A, B and C hereof and which are secured by one or more agreements pursuant to Section 37(3) of the Planning Act that are in a form and registered on title to the lands, to the satisfaction of the City Solicitor.

(b) Where Schedules A, B and C of this By-law requires the owner to provide certain facilities, services or matters prior to the issuance of a building permit, the issuance of such permit shall be dependent on satisfaction of the same.
(c) The owner shall not use, or permit the use of, a building or structure erected with an increase in height and density pursuant to this By-law unless all provisions of Schedules A, B and C are satisfied.

SCHEDULE A
Section 37 Provisions

The facilities, services and matters set out below are required to be provided by the owner at their expense to the City in accordance with one or more agreements pursuant to section 37(3) of the Planning Act, in a form satisfactory to the City with conditions providing for indexing escalation of both the financial contributions and letters of credit, development charges, indemnity, insurance, GST, HST, termination and unwinding, and registration and priority of agreement in return for the increase in height of the proposed development on the lands as shown on Map 1 of this By-law and as secured in an agreement or agreements under Section 37(3) of the Planning Act whereby the owner agrees as follows:

1. The owner of 21 Don Valley Parkway, 30 Booth Avenue, and 375 and 385 Eastern Avenue (the "East Harbour Lands") shall provide the community benefits set out in Table 1 below, all to the satisfaction of the Chief Planner and Executive Director, City Planning, subject to clause (2) below, at the owner's sole expense, to be secured in a Master Agreement(s) pursuant to Section 37 of the Planning Act:

   a. The provision by the owner of public art of a value of at least $10,500,000 on the lot;

   b. The provision by the owner of public realm improvements of a value of at least $1,000,000 on top of a flood protection landform on lands zoned G and subject to this By-law, to the satisfaction of the Toronto and Region Conservation Authority and the City Planner and Executive Director, City Planning Division;

   c. The provision, including the design and construction, by the owner of a minimum of 1,400 square metres of gross floor area to be used as affordable incubator employment space, and a cash contribution of $613,291 towards the fit-out of the space, all subject to the terms set out in Schedule B;

   d. The provision, including the design and construction, by the owner of a minimum of 2,800 square metres of gross floor area to be used as community and/or cultural space, and a cash contribution of $1,226,581 towards the fit-out of the space, all subject to the terms set out in Schedule B;

   e. A cash contribution by the owner to the City of $5,000,000 to be allocated to support the construction of off-site affordable rental housing in the immediate area of the lot; and

   f. A cash contribution by the owner to the City of $3,500,000 to be allocated to community services and facilities priorities to serve the area worker population as well as the adjacent neighbourhood, including:

      i. non-profit licensed workplace ancillary daycare facilities to serve the worker population;
ii. multi-purpose community space to be located in an accessible and highly visible location for non-profit community organizations to deliver human services and/or arts and cultural programs;

iii. improvements to library and recreation facilities that serve the area; and/or

iv. the refurbishment and adaptive reuse of the listed buildings at 433 and 447 Eastern Avenue buildings, in the event that these buildings are no longer required for municipal works yard purposes and surplussed, with such contribution to be specifically targeted towards the adaptive reuse of these buildings for arts and cultural uses.

2. The lot shall be developed in phases, and the owner shall provide the community benefits set out in Section (1) in accordance with the phases set out below in Table 1, with the phases as generally illustrated on Map 7 attached to this By-law. The community benefits for each phase, including the timing and location thereof, shall be secured in phase-specific Section 37 Agreement(s), to be executed prior to the issuance of the first above-grade building permit for each phase, as applicable. Each phase-specific agreement(s) shall address the appropriate timing of the contributions in relation to the gross floor area under development.

3. Council authorizes the moving of the community benefits in Table 1 between phases, without requiring an amendment to this Schedule A, as long as any such changes are secured in the phase-specific agreement(s) pursuant to Section 37(3) of the Planning Act, or amendments thereto, to the satisfaction of the Chief Planner and Executive Director, City Planning Division and the City Solicitor.

4. The financial amounts in Sections (1) and (2) shall increase in accordance with the increase in the Non-Residential Construction Price Index for the Toronto CMA, reported quarterly by Statistics Canada in Building Construction Price Indexes Publication No. 327-0058, or its successor, calculated from the date of execution of the Section 37 Agreement or, if the site specific By-laws for the project are appealed to the Local Planning Appeal Tribunal, from the date of the Tribunal order approving the By-laws, to the date of submission of the funds by the owner to the City.

5. In the event the cash contributions required by subsections 1(a), 1(b), 1(e), 1(f) and 2 have not been used for the intended purpose within ten (10) years of payment to the City, the cash contribution may be redirected for another purpose, at the discretion of the Chief Planner and Executive Director, City Planning Division, in consultation with the Ward Councillor, provided that the purposes are identified in the Toronto Official Plan and will benefit the community in the vicinity of the lot.

6. The following matters are also to be secured in the Section 37 Agreement(s) as a legal convenience to support development:

   a. Transportation, streetscape, intersection and public realm improvements linked to the development proposal, including letters of credit to secure works.

   b. Construction of a Flood Protection Landform, in accordance with the final detailed design of the Port Lands Flood Protection project, and conveyance of the constructed landform in its entirety to the Toronto and Region Conservation Authority.

   c. Submission of a Construction Management Plan and Traffic Mitigation Plan for each phase of development, to the satisfaction of the General Manager of Transportation Services, and the Chief Building Official, in consultation with the Ward Councillor.

   (d) Creation of area-specific design guidelines to the satisfaction of the Chief Planner and Executive Director, City Planning, to govern design excellence and high quality materials for the future buildings within the Precinct. The guidelines may include:

      (i) Public realm considerations, including streetscape, animation zone, landscape and pedestrian and cyclist amenities;
(ii) Built form considerations, including respecting the base building, tower and tower top components, and building orientation and alignment;

(iii) A proposal's contribution to the City's skyline, architectural expression, and materiality; and

(iv) Other considerations including parking, loading and servicing, public art, accessibility, lighting, signage and wayfinding.

(e) Construction and maintenance of the development in accordance with Tier 1 performance measures of the Toronto Green Standard, as adopted by Toronto City Council at its meeting held on October 26 and 27, 2009 through the adoption of item PG32.3 of the Planning and Growth Management Committee, as further amended by City Council from time to time.

(f) Provision and implementation of landscape phasing plans to reflect interim conditions for each development phase during its construction period.

(g) Publicly-Accessible Privately Owned Space (POPS), easements over the POPS, and other public access easements as necessary over privately-owned open spaces, all to provide public access for use by the general public, which easements shall include provisions for rights of support if necessary, and insurance and indemnification of the City by the owner, to the satisfaction of the Director, Real Estate Services, the Chief Planner and Executive Director, City Planning, and the City Solicitor, in consultation with the Ward Councillor, and in keeping with Schedule C to this By-law. The public access easements are to be conveyed to the City free and clear of all physical and title encumbrances unless otherwise agreed to by City Planning and the City Solicitor. The owner shall own, operate, maintain and repair the POPS and other publicly accessible spaces. The owner shall install and maintain signage within the POPS, in accordance with the City’s Urban Design Guidelines for POPS.

(h) Prior to issuance of the first above grade building permit for any phase or substantial building of at least 20 metres or 6 storeys, the owner shall, at the request of the Chief Planner and Executive Director, City Planning, submit an updated, detailed Wind Study including wind tunnel analysis, satisfactory to the Chief Planner and Executive Director, City Planning, which identifies recommendations for the pedestrian realm and the outdoor areas of the podiums to mitigate wind impacts year-round, and the owner shall implement and maintain in support of the development all recommended mitigation measures to the satisfaction of the Chief Planner and Executive Director, City Planning.

(i) Prior to issuance of the first above grade building permit for any phase or building, the owner shall submit, or provide updated submissions of, a compatibility study or studies, which shall be prepared to the satisfaction of the City of Toronto in consultation with the Ministry of the Environment and Climate Change, evaluating how potentially sensitive uses in the given phase or building within 1,000 metres of existing major facilities such as the Enbridge facility located at 405 Eastern Avenue and the City works yard located at 433 Eastern Avenue.
Avenue and 50 Booth Avenue, would affect the ability of those facilities to carry out normal business activities. The compatibility study or studies shall also evaluate potential adverse effects from odour, noise and/or other contaminants on anticipated users of the proposed sensitive uses, and recommend how potential adverse effects may be mitigated to minimize risk to public health and safety and to ensure the long term viability of major facilities. Mitigation measures shall be implemented by the proponent of development and secured through planning instruments.

(j) At the time of registration of draft plan of subdivision, in accordance with Section 42 of the Planning Act, the owner shall convey to the City an on-site parkland dedication with direct frontage on New Street E, south of New Street E and east of the Don Roadway, as shown generally on the Master Plan Update dated May 2018, page 13, prepared by Urban Strategies Inc., with satisfactory arrangements in the Section 37 Agreement(s) to secure the conveyance (which may include the provision of letters of credit or other securities) for lands to be developed in advance of the registration of the draft plan of subdivision, all to the satisfaction of the General Manager, Parks, Forestry & Recreation (PFR), and the City Solicitor.

(k) The owner shall at its expense provide knock-out panels along the north walls of any future concourse level of the buildings immediately adjacent to the Transit Hub, for potential future underground pedestrian network connections, to the satisfaction of the Chief Planner and Executive Director, City Planning Division.

(l) The owner shall, at the request of the Toronto Transit Commission (TTC), agree to complete a TTC technical review(s) respecting the development and a potential future Relief Line TTC second exit/entrance facility, and shall address all concerns arising from the technical review(s) to the satisfaction of the TTC in consultation with the Chief Planner and Executive Director, City Planning Division, and Metrolinx.

(m) The owner shall convey an easement or fee simple conveyance to the City and Toronto Transit Commission (TTC), at its election, for access and other rights as may be required for the TTC second exit/entrance facility over and through the portion of development lands owned by the Owner, should such be requested to connect to the Relief Line in future.

(n) The owner shall enter into agreement(s) with the Toronto Transit Commission that will set out the Owner’s obligations to construct and maintain a new exit/entrance within the development and the necessary easements in place for public egress and ingress. The terms of the agreement shall be negotiated with the Owner, in consultation with the Chief Planner and Executive Director, City Planning Division and the agreement shall be to the satisfaction of TTC in consultation with the Chief Planner and Executive Director, City Planning Division.
SCHEDULE B

Section 37 Details: Term Sheet, Services and Facilities

The Term Sheet is to guide the securing of Incubator and community cultural services and facilities space under the City's Community Space Tenancies (CST) Policy.

The term "Incubator" should be read throughout the document to include incubators, accelerators, co-location facilities, or other types of collaborative spaces.

Section 37 community benefit to involve provision of on-site Incubator workspace and community cultural space for a minimum of 4,200 square metres space that meets the criteria noted below.

1. Incubator Space – Phase A

   (a) The owner will provide a minimum of 1,400 square metres of non-residential gross floor area within Phase A of the development (priority location being adaptive reuse of the existing 21 Don Valley Parkway building which was the Unilever Soap Factory, with any alternate location to be to the satisfaction of City Planning and Economic Development and Culture) to be used as Incubator workspace.

   (b) The owner will enter into a 25-year lease with the City for the space noted in 1(a) above to be used by the City to establish a business incubation centre.

   (c) The owner consents to the City subleasing the Incubator workspace to qualified not-for-profit partners or a post-secondary institution that will operate the space and deliver business incubation programming. The City will consult with the owner while identifying potential sub-lessees and the City and Owner shall jointly select not-for-profit partners and/or a post-secondary institution that will operate the business incubation centre space as a sub-lessee.

   (d) For the term of the 25-year lease the City shall pay rent at a rate of $1 per year, plus T.M.I. (taxes, maintenance and insurance). No ongoing operating subsidy is required to be provided by the owner.

   (e) The City shall have the opportunity to renew the lease at the end of the 25-year lease at market rental rates.

   (f) The owner shall finish the leased Incubator workspace to base condition which shall include concrete floors, electrical, HVAC, plumbing and fire services entering the space, a finished washroom but otherwise no partitioning or drywall.

   (g) Tenants of the space shall have access to staff/visitors parking, drop off and pick up, and service access and garbage pick-up area that is provided for the building as a whole in accordance with applicable zoning By-law requirements and any Transportation Demand Management plans. Dedicated facilities are not required.

   (h) The Owner shall provide a cash payment to the City in the amount of $613,291 to be used by the City toward finishing said space or otherwise enabling the City to secure quality tenants.

   (i) The lease will contain a termination clause, effective at the 10th year of the lease and every 5 years thereafter, to allow the City to elect to cease leasing the space and take any pro-rata remaining Section 37 funds (to be based on Schedule A subparagraph 1(c) indexed from the Agreement, less the $613,291 payment referred to in 1(h) above and
less all discounted rents already accrued to the City). Those funds shall be used towards other local benefits at the discretion of the Chief Planner and Executive Director, City Planning in consultation the Ward Councillor and in consultation with Economic Development and Culture.

2. Cultural Community Space – Phase B or C

(a) The owner will provide a minimum of 2,800 square metres of non-residential gross floor area in Phase B or C of the development to be used as non-profit community and/or cultural space.

(b) The Owner shall provide a minimum of 500 square metres of the space identified in 2(a) above on the ground floor, which will include an accessible and highly visible ground floor presence, signage and display, lobby space, and access to an elevator. Other key ground floor programic elements as may be identified by City Planning and Economic Development and Culture, and which can be reasonably integrated into the ground-floor building design, can include but are not limited to: an ancillary café/bar, security, washrooms, patron services, promotion, amenity outdoor patio/terrace space, and pop-up programming. Beyond the required minimum area on the ground floor, the space noted in 2.1 above may be located on the second floor.

(c) The owner will enter into a 25-year lease with the City for the space noted in 2(a) and 2(b) above, to be used for community and/or cultural space.

(d) The owner consents to the City subleasing the cultural and/or community space to qualified not-for-profit partners or a post-secondary institution that will operate the space and deliver cultural and/or community programming. The City will consult with the owner while identifying potential sub-lessees, and the City and the Owner shall jointly select not-for-profit partners and/or post-secondary institutions that will operate the community and/or cultural space as a sub-lessee.

(e) For the term of the 25-year lease the City shall pay rent at a rate of $1 per year, plus T.M.I. (taxes, maintenance and insurance). No ongoing operating subsidy is required to be provided by the owner.

(f) The City shall have the opportunity to renew the lease at the end of the 25-year lease at market rental rates.

(g) The owner shall finish the leased cultural and/or community space to base condition which shall include concrete floors, electrical, HVAC, plumbing and fire services entering the space, a finished washroom but otherwise no partitioning or drywall.

(h) Tenants of the space shall have access to staff/visitors parking, drop off and pick up, service access and garbage pick-up area(s), and any amenity outdoor patio/terrace space(s) that are provided for the building as a whole, in accordance with applicable zoning By-law requirements and any Transportation Demand Management plans. Dedicated facilities are not required.

(i) The Owner shall provide a cash payment to the City in the amount of $1,226,581 to be used by the City toward finishing said space or otherwise enabling the City to secure quality tenants.

(j) The lease will contain a termination clause, effective at the 10th year of the lease and every 5 years thereafter, to allow the City to elect to cease leasing the space and take any pro-rata remaining Section 37 funds (to be based upon Schedule A subparagraph 1 (d) indexed from the Agreement, less the $1,226,581 payment referred to in 2(i) above and
less all discounted rents already accrued to the City). Those funds shall be used towards other local benefits at the discretion of the Chief Planner and Executive Director, City Planning in consultation the Ward Councillor and in consultation with Economic Development and Culture.

3. Council authorizes minor adjustments to Schedule B without requiring an amendment to this Schedule B, as long as any such changes are secured in the phase-specific agreement(s) pursuant to Section 37(3) of the Planning Act, or amendments thereto, to the satisfaction of the Chief Planner and Executive Director, City Planning Division and the City Solicitor.
SCHEDULE C
Section 37 Details: Privately Owned, Publicly Accessible Open Spaces

1. Transit POPS

(a) Prior to Site Plan Approval for the lands referred to as Phase B on Map 8 (the "Eastern POPS Plaza"), the owner shall provide a plan for a Privately Owned, Publicly Accessible Open Space (POPS) acceptable to the Executive Director and Chief Planner, City Planning, that provides for a minimum of 800 square metres of contiguous open space located generally within the hatched area of Phase B, in accordance with the following requirements:
   i. Direct access to and from an entrance to the planned East Harbour SmartTrack/Metrolinx station to the north
   ii. General consistency with the City of Toronto’s guidelines for POPS as set out in the Unilever Secondary Plan
   iii. A minimum of 20 metres of frontage along each of the extension of Broadview Avenue and New Street A
   iv. A minimum facing distance of 18 metres between the planned East Harbour SmartTrack/Metrolinx station to the north and the northern edge of the adjacent New Street A sidewalk
   v. Satisfactory provision of access requirements related to Metrolinx and Toronto Transit Commission standards, which may include but not be limited to barrier free/WheelTrans considerations, pavement standards, bicycle parking, and provision of signage and shelters

(b) Prior to Site Plan Approval for the lands referred to as Phase C on Map 8 (the "Western POPS Plaza"), the owner shall provide a plan for a Privately Owned, Publicly Accessible Open Space (POPS) acceptable to the Executive Director and Chief Planner, City Planning, that provides for a minimum of 1,000 square metres of contiguous open space located generally within the hatched Area 1 of Phase C, in accordance with the following requirements:
   i. Connectivity between the extension of Broadview Avenue to the east, and the planned flood protection landform adjacent to the Don Roadway to the west
   ii. Direct access to and from entrances to the planned East Harbour SmartTrack/Metrolinx station to the north
   iii. General consistency with the City of Toronto’s guidelines for POPS as set out in the Unilever Secondary Plan
   iv. Approval of the said POPS design, to the satisfaction of the Chief Planner and Executive Director, City Planning, Metrolinx and the Toronto Transit Commission, to support the western Transit Plaza’s function as both a premiere public space and also as a major transit gateway. The design will include:
      A. Detailed pedestrian and cyclist route and capacity modeling,
including assessments of required pedestrian clearway.

B. Public realm considerations, including landscaping, furnishing, public art, and pedestrian and cyclist amenities.

C. Detailed ground-level pedestrian view modeling looking west from the Broadview exit of the Transit Hub and east from the Don exit of the Transit Hub, including detailed modeling of any adjacent built form elements.

D. Other considerations including servicing, accessibility, lighting, signage and wayfinding.

v. A minimum of 20 metres of frontage along the extension of Broadview Avenue

vi. An acceptable facing relationship between the Eastern and Western POPS Plazas, intended to facilitate an appropriate, complementary facing relationship.

vii. A minimum facing distance of 18 metres between the planned East Harbour SmartTrack/Metrolinx station to the north and the northerly office building within Phase C base building streetwall edge to the south, or such alternate dimension as is designed to the satisfaction of the City.

(c) Notwithstanding 1) (a) and (b) above, the minimum sum total area for the Western and Eastern POPS Plazas shall be a minimum of 2,000 square metres.

(d) Prior to the issuance of Final Site Plan approval for any individual building in Phase B or C, the owner will convey to the City for nominal consideration Publicly-Accessible Privately Owned Space (POPS) easements over the Eastern (for Phase B) and Western (for Phase C) POPS Plazas within that phase, to provide public access for use by the general public, which easements shall include provisions for rights of support if necessary, and insurance and indemnification of the City by the owner, to the satisfaction of Director, Real Estate Services, the Chief Planner and Executive Director, City Planning Division, and the City Solicitor, in consultation with the Ward Councillor. The public access easements are to be conveyed to the City free and clear of all physical and title encumbrances unless otherwise agreed to by City Planning and the City Solicitor. The owner shall install and maintain a centralized sign, at its own expense, stating that members of the public shall be entitled to use the POPS at any time, 365 days a year.

2. **Phase B: Other Easements**

   (a) Prior to the issuance of Final Site Plan approval for Phase B, the owner will convey to the City for nominal consideration easements for:

   i. north-south and east-west pedestrian connectivity through the block; and

   ii. for Eastern Avenue to Eastern POPS Plaza and New Street A pedestrian connectivity,

   to provide public access for use by the general public easements between the hours of 6:00am and 11:00pm. Easements shall include provisions for rights of
support if necessary, and insurance and indemnification of the City by the owner, to the satisfaction of Director, Real Estate Services, the Chief Planner and Executive Director, City Planning Division, and the City Solicitor, in consultation with the Ward Councillor. The public access easements are to be conveyed to the City free and clear of all physical and title encumbrances unless otherwise agreed to by City Planning and the City Solicitor. The owner shall own, operate, maintain and repair the connections.

3. Phase C

(a) Prior to Site Plan Approval for the lands referred to as Phase C on Map 7, the owner shall provide a plan for outdoor space acceptable to the Executive Director and Chief Planner, City Planning, that provides for a minimum of 2,000 square metres of contiguous open space located generally within the hatched Area 2 of Phase C on Map 8.

(b) Prior to the issuance of Final Site Plan approval for Phase C, the owner will convey to the City for nominal consideration easements for pedestrian connectivity through the block between New Street E and the planned East Harbour SmartTrack/Metrolinx station to the north, to provide public access for use by the general public easements between the hours of 6:00am and 11:00pm. Easements shall include provisions for rights of support if necessary, and insurance and indemnification of the City by the owner, to the satisfaction of Director, Real Estate Services, the Chief Planner and Executive Director, City Planning Division, and the City Solicitor, in consultation with the Ward Councillor. The public access easements are to be conveyed to the City free and clear of all physical and title encumbrances unless otherwise agreed to by City Planning and the City Solicitor. The owner shall own, operate, maintain and repair the connections.

4. Phase D

(a) Prior to Site Plan Approval for the lands referred to as Phase D on Map 7, the owner shall provide a plan for outdoor space acceptable to the Executive Director and Chief Planner, City Planning, that provides for a minimum of 2,500 square metres of contiguous open space located generally within the hatched area of Phase D on Map 8, with generous frontage along New Street E and New Street D.

(b) Prior to the issuance of Final Site Plan approval for Phase D, if required by the City, the owner will convey to the City for nominal consideration easements for pedestrian connectivity through the block from north to south, to provide public access for use by the general public easements between the hours of 6:00am and 11:00pm. Easements shall include provisions for rights of support if necessary, and insurance and indemnification of the City by the owner, to the satisfaction of Director, Real Estate Services, the Chief Planner and Executive Director, City Planning Division, and the City Solicitor, in consultation with the Ward Councillor. The public access easements are to be conveyed to the City free and
clear of all physical and title encumbrances unless otherwise agreed to by City Planning and the City Solicitor. The owner shall own, operate, maintain and repair the connections.

5. **Phase E**

   (a) Prior to Site Plan Approval for the lands referred to as Phase E on Map 7, the owner shall provide a plan for outdoor space acceptable to the Executive Director and Chief Planner, City Planning, that provides for a minimum of 1,500 square metres of contiguous open space located within Phase E, located generally within the hatched area of Phase E on Map 8, with generous frontage along New Street E.

   (b) Prior to the issuance of Final Site Plan approval for Phase D, if required by the City, the owner will convey to the City for nominal consideration easements for pedestrian connectivity through the block from north to south, to provide public access for use by the general public easements between the hours of 6:00am and 11:00pm. Easements shall include provisions for rights of support if necessary, and insurance and indemnification of the City by the owner, to the satisfaction of Director, Real Estate Services, the Chief Planner and Executive Director, City Planning Division, and the City Solicitor, in consultation with the Ward Councillor. The public access easements are to be conveyed to the City free and clear of all physical and title encumbrances unless otherwise agreed to by City Planning and the City Solicitor. The owner shall own, operate, maintain and repair the connections.

6. Council authorizes minor adjustments to Schedule C without requiring an amendment to this Schedule C, as long as any such changes are secured in the phase-specific agreement(s) pursuant to Section 37(3) of the Planning Act, or amendments thereto, to the satisfaction of the Chief Planner and Executive Director, City Planning Division and the City Solicitor.
