Hello,

**As requested, I'm re-sending our previous request for a letter of non-objection with the correct times, i.e. 12pm to 11pm instead of strating at 8pm. Thank you for your help with this.**

**Regards,  
Pouria**

This request pertains to an Event of Municipal Significance in the City of Toronto. We are applying for four (4) separate 'Temporary Liquor License Extensions' for our back patio over the course of this summer. We are involved with two organisations that are doing amazing things for this city's music scene, namely Labyrinth Ontario and the Kensington Market Jazz Festival.

The kind of music that we provide a home to (e.g. South-West Asian, Modal, Maqami, Eastern Jazz) has limited venues in the City and thus we do play a small role in Toronto's ambition to become a music city. We believe that the programming we are a part of does much to contribute to the music scene in Toronto.

The programming is non-amplified/acoustic so the sound does not carry beyond the four high walls surrounding the back patio. There are no functional Residential zones within 30 meters of the proposed area, and in any case, the City's noise by-laws would cover any noise or sounds that would be disruptive to our neighbours.

All events will take place at Café Pamenar, located at 307 Augusta Ave, Toronto, M5T2M2. They will start at **12pm and end by 11pm**

These are the dates we for which we are applying:

- June 22<sup>nd</sup> – July 5<sup>th</sup> inclusive, for a continuation of the Labyrinth Music Seminars
- July 16<sup>th</sup> – July 29<sup>th</sup> inclusive, for Labyrinth Music Seminars Young Artists series
- August 13<sup>th</sup> – August 26<sup>th</sup> inclusive, for Toronto Traditional Iranian Music Festival
- September 3<sup>rd</sup> – September 16<sup>th</sup> inclusive, for Kensington Market Jazz Festival
