

MEMO

TO: Community Development and Recreation Committee
FROM: Councillor Joe Mihevc, Ward 21, St. Paul's West
RE: Interfaith Coalition to Fight Homelessness
DATE: June 13, 2018

Recommendation:

1. Request staff to research directly with the 16 OOTC operators on the issues raised in the report, with a view to improving city supports, and to report to the July CDRC meeting on the 2018-2019 support strategy for OOTC.

Background:

The Interfaith Coalition to Fight Homelessness has produced a Report on the Out of the Cold Shelters. The report makes a number of suggestions to improve the services OOTC delivers and to strengthen the relationship with the city.

The work of faith communities is integral to the health of our city, especially as it pertains to our homeless community. We need to support their efforts. As such, I request that Community Development and Recreation Committee approve the above recommendation:

Sincerely,

Councillor Joe Mihevc
