## **Accessibility During Construction - Eglinton Crosstown Light Rail Transit (LRT)**

### Summary:

The Transportation Working Group, Toronto Accessibility Advisory Committee would like to request that the Committee be provided with an update on accessibility during construction of the Eglinton Crosstown Light Rail Transit located on Eglinton Avenue.

### Recommendation:

That the Executive Committee request the General Manager, Transportation Services to:

1. Invite representatives from Metrolinx to provide an update to the Committee on accessibility during construction of the Eglinton Crosstown Light Rail Transit.
2. Request representatives from the TTC to provide an update to the Committee on accessibility during construction of the Eglinton Crosstown Light Rail Transit.
