BU40.1n Economic Development & Culture Letter	City Council adopted MM27.39 on Massey Hall Revitalization and in so doing, expressed support of the Massey Hall Revitalization Project. City Council has also requested the Budget Committee to consider financial support for Phase 2 of the Massey Hall Revitalization Project in the 2018 Budget process.	As Massey Hall is not a City-owned property it would not be eligible as a debt funded Capital Project. Non-debt Capital funding sources would have to be considered or a grant from the Operating Budget. Generally, following the approach for the 2003 cultural renaissance projects in Toronto (Ballet-Opera house and others), the model for non-City-owned facilities has been federal / provincial/ private funding, in light of the City's funding limitations. No funding provision is included in the 2018 Preliminary Operating Budget.	Deferred to Budget Committee Wrap-up Meeting on January 23, 2018
