Parks, Forestry and Recreation Facilities Master Plan - Implications for School Boards

Committee Decision

The City-School Boards Advisory Committee recommends to the Executive Committee that:

1. City Council request the Acting Deputy City Managers, Cluster A and B to undertake discussions with the School Boards with the objective of developing a more robust and deliberative planning process and capital investment plans to facilitate a coordinated approach to rehabilitating or replacing school and community recreation facilities, and report in the second quarter of 2019 with any recommendations.
2. City Council request the General Manager, Parks, Forestry and Recreation to undertake further discussion with the school boards on the implementation report for the Parks, Forestry and Recreation Facilities Master Plan prior to the report being submitted to Committee and Council and include an opportunity for elected officials to be included in the process for developing the parkland plan.

Decision Advice and Other Information

The General Manager, Parks, Forestry and Recreation, City of Toronto, gave a presentation on Parks, Forestry and Recreation Facilities Master Plan.

Summary

Janie Romoff, General Manager, Parks, Forestry and Recreation, City of Toronto, will provide an overview of the Parks and Recreation Facilities Master Plan (FMP) 2019-2038, approved by

Council in November 2017. Included in the presentation are the Plan's key findings and recommendations including implications and opportunities related to school boards.
