The affordable housing plan for this site is the result of a collaboration between CreateTO, the City's Affordable Housing Office and the owner of 250 Wincott Drive, Trinity Development Group Inc. (developing the site as Montrin Richview GP Inc.). Trinity Development Group Inc. acquired 4620 Eglinton Avenue West, a surplus City of Toronto site adjacent to 250 Wincott Drive, from CreateTO. The properties are located at the northwest corner of Eglinton Avenue West and Wincott Drive, east of Kipling Avenue.

## **FINANCIAL IMPACT**

---

As outlined in the table below, City capital contributions and incentives through the Open Door Program will make rents more affordable, including funding of up to \$648,000 from the Development Charges Reserve Fund (DCRF) for Subsidized Housing (XR2116) through the Open Door Program. City incentives include relief from development charges, planning and buildings fees and property taxes for 25 years.

A minimum of 10% of the project's affordable units shall be made available to households receiving housing benefits referred from the City's Housing Access System.

	Value Per Unit	Total Support (72 Units)

City Incentives (Development Charges, Planning and Building Permit Fees, Tax Exemption)	\$44,575	\$3,209,414
CreateTO Contribution	\$27,000	\$1,944,000
<b>Total*</b>	<b>\$80,575</b>	<b>\$5,801,414</b>

\*City incentives are estimates and, in the event that fewer than 72 are secured, these sums will decrease proportionately.

In keeping with City policy to achieve affordable rents, this report also recommends City Council exempt the up to 72 affordable rental units of the lands at 4620 Eglinton Avenue West and 250 Wincott Drive from property taxes for 25 years.

The value of the annual property tax exemption is estimated at \$59,463 at current 2018 rates. The net present value (NPV) over the 25 year- term is estimated at \$1,035,445 as summarized below:

Property Tax	Annual	NPV: 25 Years
City	\$ 43,344	\$ 754,763
Education	\$ 15,907	\$ 276,985
City Building	\$ 212	\$ 3,696
<b>Total:</b>	<b>\$ 59,463</b>	<b>\$ 1,035,445</b>

A tax exemption would have no net present impact to the City for the educational portion of taxes remitted to the Province.

The Interim Chief Financial Officer has reviewed this report and agrees with the financial impact information.

### **EQUITY IMPACT STATEMENT**

Lack of access to safe, secure, affordable housing in complete communities is a barrier to low-income residents in Toronto. The Richview Square Redevelopment is located in proximity to retail outlets, amenities, and education and recreation facilities. The

location and accessibility increases the importance of securing new affordable housing at this location.

The provision of new affordable housing serves equity-seeking groups such as lower income residents, women, seniors, persons with disabilities, Aboriginal people, individuals with mental health issues and other vulnerable groups. This will also contribute toward achieving the City's Housing Opportunities Toronto 10-year targets for new affordable rental and ownership homes and supports the City's poverty reduction strategy.

## **COMMENTS**

---

The surplus City property at 4620 Eglinton Avenue West was transferred to Build Toronto (now known as CreateTO) in 2011. Build Toronto has sold this property to Trinity Development Group Inc. (developing the site as Montrin Richview GP Inc.) who own the adjoining land at 250 Wincott Drive, currently the site of the Richview Square retail plaza. Collectively, the two parcels of land form the Richview Square redevelopment site.

The proposed development consists of three mixed-use retail and residential buildings with a total of 671 one to three bedrooms homes. Half of the proposed units will be two and three bedroom homes suitable for larger households. The existing one-storey commercial plaza on the site will be largely retained and renovated.

The final number of affordable homes will depend on the planning process, but a maximum of 72 affordable homes is anticipated. The affordable rental homes will be rented to eligible lower-income families and individuals at no more than the City's average market rent for a 20-year affordability term, plus a five-year phase-out period. This will be achieved through capital contributions from CreateTO and the City, and City incentives. Should the full 72 homes be realised, the City's Open Door Affordable Housing Program will provide \$648,000 in capital funding from the Development Charges Reserve Fund for Subsidized Housing as well as incentives including development charges and fee waivers, and a 25-year property tax exemption. In addition, CreateTO will provide a capital contribution of up to \$1,944,000 for the homes.

This affordable housing program is the result of a collaboration between Montrin Richview GP Inc., CreateTO and the City's Affordable Housing Office. Montrin Richview GP Inc. will build, own and operate the affordable rental housing, providing new housing opportunities for the local community.
