Re: EX30.3 Development Charges Bylaw Review

Dear Members of Executive Committee:

The St. Lawrence Neighbourhood Association (SLNA), founded in 1982, represents approximately 35,000 residents in the area bounded by Yonge Street, Parliament Street, Queen Street East and the railway tracks. We regularly work with City staff, residents, developers and property owners to ensure that proposed developments represent good planning and enhance our neighbourhood.

Recently we attended the presentation from Staff regarding the development charges bylaw. We have reviewed the report and Staff supporting documentation and support the staff recommendation to increase the development charges and to phase in as quickly as possible.

Sincerely,

Suzanne Kavanagh
President, SLNA
