RE: 350 Year Old Oak Tree – Coral Gable Drive

To: Chair and Members, Etobicoke York Community Council

A 24 metre tall Red Oak Tree is located on Coral Gable Drive. The potential loss of this tree is disturbing to residents in the neighbourhood and the entire City.

Therefore, I would like to bring forward the following recommendation:

- 1. Etobicoke York Community Council request the City Manager and the Chief Corporate Officer to report directly to City Council on April 24, 2018, on the feasibility of acquiring the property on Coral Gable Drive in order to preserve the 350 year old oak tree.**

Thank you for your attention on this matter.

Regards,

Councillor Giorgio Mammoliti
Ward 7, York West
