RE: Parking on Torbarrie Road

Dear Chair Grimes,

I have received many requests from the constituents of the Oakdale Village Subdivision expressing their need for parking along the east side of Torbarrie Road, between Sergio Marchi Street and a point of 120 meters north.

After visiting the subdivision with transportation staff they have advised me of the following and I would ask Community Council to please consider these recommendations:

1. City Council rescind the existing parking prohibition in effect at all times on the east side of Torbarrie Road, between Sergio Marchi Street and a point 102 metres north.
2. City Council rescind the existing parking prohibition in effect from 2:00 a.m. to 6:00 a.m., from December 1 of one year to March 31 of the following year on the east side of Torbarrie Road, between a point 102 metres north of Sergio Marchi Street and a point 120 metres north of Sergio Marchi Street.
3. City Council authorize parking for a maximum period of 12 hours from 8:00 p.m. to 8:00 a.m., on the east side of Torbarrie Road, between Sergio Marchi Street and a point 120 metres north.

Regards,
