Re: Accessible Taxi Service

Dear Chair Palacio and Members of the Municipal Licensing and Standards Committee,

**Background:**

Accessible Taxi service is a key part of Transit service in Toronto. Accessible Taxicabs currently provide service to both the public on demand, and to the TTC under contract with Wheel-Trans. In order to endure continued levels of Accessible Taxicab service to both the TTC and on-demand service to the community, City Council approve the following Motion.

**Motion:**

- 1. City Council direct that upon the termination of accessible taxicab licenses issued to Royal Taxi Inc. as a Qualified Taxicab Brokerage prior to the enactment of By-law 503-2014, Municipal Licensing and Standards may issue an equal number of new accessible taxicab licenses to its successor corporation, 2605881 Ontario Inc.,*
- 2. City Council direct that any taxicab license issued in accordance with recommendation 1 shall be deemed to have been issued to a Qualified Taxicab Brokerage prior to the enactment of By-law 503-2014 for the purposes of Chapter 546 of the Toronto Municipal Code and that the license(s) shall terminate once they are no longer under contract with the Toronto Transit Commission.*

Sincerely,

Jim Karygiannis  
Councillor, Ward 39  
Scarborough-Agincourt
