Notice of Motion

MM43.8	ACTION			Ward:13
--------	--------	--	--	---------

Request to examine the intersection at Bloor Street West and South Kingsway - by Councillor Sarah Doucette, seconded by Councillor Joe Cressy

** Notice of this Motion has been given.*

** This Motion is subject to referral to the Public Works and Infrastructure Committee. A two-thirds vote is required to waive referral.*

Recommendations

Councillor Sarah Doucette, seconded by Councillor Joe Cressy, recommends that:

1. City Council direct the General Manager, Transportation Services, under the lens of Vision Zero, to review the interactions of pedestrians, cyclists and vehicles at the intersection of Bloor Street West and South Kingsway, and to implement any changes necessary to promote the safety of all users, and City Council direct the General Manager, Transportation Services to report back to City Council in January 2019 on any safety enhancements that need City Council approval.

Summary

Concerns regarding the intersection of South Kingsway and Bloor Street West have increased for many road users, as adjacent development pressures grow, and traffic increases along Bloor Street West. While the alignment of the intersection was altered in 2013, safety issues continue to persist, and were tragically highlighted by a recent hit-and-run that took place last month.
