Recommendations

Councillor Sarah Doucette, seconded by Councillor Joe Cressy, recommends that:

1. City Council direct the General Manager, Transportation Services, under the lens of Vision Zero, to review the interactions of pedestrians, cyclists and vehicles at the intersection of Lake Shore Boulevard West and Colborne Lodge Drive, and to implement any changes necessary to promote the safety of all users.

Summary

Crossing Lake Shore Boulevard West at Colborne Lodge Drive is a problem for pedestrians and cyclists, due to the need for increased road markings, and the lack of a safe space on the east side median for those to stop. Tragically the recent death of a cyclist when a vehicle went through a red light at the intersection has highlighted the need for action to be taken.
