Recommendations

Councillor Paula Fletcher, seconded by Councillor Sarah Doucette, recommends that:

1. City Council add Dundas Street East between Pape Avenue and Greenwood Avenue as a Community Safety Zone.

Summary

At the June 26 to 229, 2018 City Council meeting Council approved dozens of Community Safety Zones around schools to help create a safer walk to school. I asked residents of Ward 30 about their routes to school and added several new Community Safety Zones based on what I heard.

I have recently heard that residents and active transportation advocates would like to add Dundas between Pape and Greenwood as a Community Safety Zone. This stretch of Dundas is heavily used by students going to Leslieville Public School and is a busy arterial road where safety is always a concern. Adding this as a Community Safety Zone will make it easier to implement traffic calming and pedestrian protection measures.

REQUIRES RE-OPENING:

Item PW30.5 - City Council June 26, 27, 28 and 29, 2017 to add a community safety zone.
