Dear Council Memebers

This is to confirm previous discussion regarding the naming of something in honour of the years of Ron Moeser's service to the Borough of Scarborough and the City of Toronto. We at the Coronation Community Association are in favour of naming a portion of the Water Front Trail, a Bridge on the Waterfront Trail, or Park or Street. Whatever the consensus of the local Organizations and Community Groups, with particular consideration to the wishes of the Moeser family.

I hope that this will help in expediting the process, but should you require further consultation, please do not hesitate to contact me.

Thanks

Ron Wootton
President – Coronation Community Association
