RE: RON MOESER RENAMING INITIATIVE

There have been numerous discussions on the topic of some form of public space recognition in Ward 44 for the late Ron Moeser who represented Ward 44 for many years prior to his passing. This has included input from Mrs. Heather Moeser.

Because of Ron's passion and involvement with the Port Union Waterfront area, it was felt appropriate to name a portion of the waterfront from the Rouge Beach to the Highland Creek Bridge in his honour. The Highland Creek Community Association supports this recommendation.

Sincerely,

Signed: David Adamson
