Dear Chair and Members:

**Re: TOcore Downtown Plan Official Plan Amendment, the Recommended Downtown Plan and Five Infrastructure Strategies (Agenda Item PG29.4 through PG29.9)**

We are solicitors for Minto Properties Inc., Minto Communities Inc. and related entities (collectively "Minto"). On behalf of Minto we are writing to object to the proposed Downtown Plan. We endorse and adopt the submissions of the Building Industry and Land Development Association ("BILD"), as set out in their May 1, 2018 correspondence to the Planning and Growth Management Committee on the same matter, which was written with input from Minto.

Yours truly,

McCarthy Tétrault LLP
