Dear Chair and Members of Planning and Growth Management Committee:

Please accept this letter as my request for deferral of item PG30.9 "Toronto Green Standard Version 3 – Review of Potential Incentives and Results of Additional Consultation" to the July 5<sup>th</sup> Planning and Growth Management Committee.

I am asking for your support to defer this item in order to give stakeholders and other interested parties time to come forward with position papers. This consideration of moving the date to discuss this item will allow industry leaders, such as: Walker Glass Company, Goldray Industries, and Feather Friendly Technologies, as well as, NGOs, such as: FLAP, Ecojustice, Ontario Nature, and Bird Studies Canada, the opportunity to write position papers on the item and organize representatives to attend the Planning and Growth Management Committee meeting to present their papers and speak to the item.

Thank you for your consideration on my deferral request.

If you have questions regarding this motion please feel free to contact me at 416-392-0204.

Cheers,

Councillor Glenn De Baeremaeker  
Ward 38, Scarborough Centre  
Deputy Mayor, East
