To the PGMC Clerk and Mr. Greg Lintern:

Agenda Item: PG31.4 – Second Units – OP Amendment

I am placing the following on public record: I plan to comment on the Second Units -- OP Amendment (including the Zoning) and I have to ask whether you have considered the unintended consequences – you are aware that you are spurring speculation -- be forewarned.

And there are inaccuracies in your reports, both PG28.1 and PG31.4 – you are playing catch-up and fix-up. Any agreements made with other stakeholders including RAs should also be disclosed. I believe in principled fair play.
