To the City Clerk:

Comments:

With respect to the the Bikeshare program for Southwest Scarborough, the Univeristy fo Toronto Scarborough would be strong in support. With over 14,000 students and a campus that spans some 300 hundred acres adjacent to parkland trails and bike corridors the campus is ideal suited to host bike share sites and generate significant usage for both recreation and transportation for our community. We would be happy to work with TPA to explore implementation and host sites.
