

## CONDOLENCE MOTION

**Moved by: Mayor John Tory**

**Seconded by: Deputy Mayor Stephen Holyday**

The Mayor and Members of Toronto City Council are saddened to hear that Chris Stockwell passed away on February 11, 2018.

Chris Stockwell started his political career as a member of Etobicoke City Council and Metro Toronto Council in the 1980s, where he proudly represented residents of Etobicoke.

Chris Stockwell was first elected to the Ontario legislature in 1990, where he spent more than a decade on numerous portfolios as a critic and eventually becoming a cabinet minister, serving as the minister of labour, environment and energy, and government house leader. In 1996, he was elected as Speaker of the Assembly.

Chris Stockwell was known to be a feisty and principled man who always spoke up passionately for the things he believed in. His dedication to municipal and provincial politics continued his family's commitment to public service.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our condolences to his family and friends.
