

## CONDOLENCE MOTION

**Moved by: Councillor Mark Grimes**

**Seconded by: Councillor Mary-Margaret McMahon**

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Reese Fallon on July 22, 2018.

Reese's life was tragically cut short as a result of the July 22nd shooting on Danforth Avenue. Reese was a recent graduate of Malvern Collegiate Institute and was set to begin a nursing degree this fall at McMaster University. Loved by her family and friends, and highly regarded by teachers and staff at Malvern Collegiate Institute, Reese had a promising future ahead of her. May Reese's memory inspire others to bring the same passion, energy and determination that she demonstrated, to make help make a positive difference in the world.

In Reese's memory, her family and friends have set up the Reese Fallon Legacy Scholarship. The plan for the scholarship is to award it annually to a graduate of Malvern Collegiate Institute who will be entering a nursing program, carrying on Reese's kind and compassionate personality that allowed her to pursue a path for helping others.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Reese Fallon's family.
