

Heavy Vehicles Prohibition - Bluebird Place

Date: March 8, 2018
To: Scarborough Community Council
From: Director, Transportation Services, Scarborough District
Wards: Ward 44 – Scarborough East

SUMMARY

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report recommends the adoption of a by-law to prohibit trucks and other heavy vehicles along Bluebird Place in order to prevent the use and parking of such vehicles along this new local road.

RECOMMENDATIONS

The Director, Transportation Services, Scarborough District recommends that:

1. Scarborough Community Council prohibit heavy vehicles at all times on Bluebird Place, between Kirkdene Drive and the south end of Bluebird Place.
2. Scarborough Community Council authorize compulsory stop control for northbound traffic on Bluebird Place at Kirkdene Drive.

FINANCIAL IMPACT

There is no financial impact from this report since the funding for the signs has been secured from the developer.

DECISION HISTORY

This report addresses a new initiative.

COMMENTS

As a result of the registration of this recently constructed subdivision, Transportation Services staff recommends the prohibition of trucks and other heavy vehicles on the new local road named Bluebird Place. The prohibition of heavy vehicles will conform to the standard practice for local roads.

The following characteristics describe Bluebird Place:

- Bluebird Place is located south of Kirkdene Drive, east of Port Union Road, and west of East Avenue.
- Bluebird Place is classified as two lane local road with a regulatory speed limit of 50 km/h.
- The land use on Bluebird Place is single family residential dwellings.

The proposed heavy vehicles prohibition will discourage trucks and other heavy vehicles from using and parking on Bluebird Place. This is anticipated to enhance sight lines, maintain two-way traffic flow, and allow for enforcement by Toronto Police Service under the Highway Traffic Act.
