Scarborough Community Council

Attention: Administrator

Dear Sir/Madam;

**Re: Royal Canadian Legion Dambusters Branch 617
Application for Temporary Extension Liquor License #44580**

We are requesting from the Alcohol & Gaming Commission a Temporary Extension for four community events from 12:00 to 7:00 pm

- 1) Sunday, July 1, 2018 – Canada Day community event
- 2) Sunday, August 5, 2018 – Civic community event
- 3) Sunday, August 19, 2018 - RCL Dambusters Br. 617 “50th Anniversary Celebration”
- 4) Sunday, September 16, 2018 – Battle of Britain & the start of Community Legion week

We require a letter of Non-Objection from the Scarborough City Clerk after the next scheduled Scarborough Community Meeting.

We are proposing to use a portion of our parking lot as we have done previously. All conditions required by the AGCO will be met. Branch 617 has held their charter since 1968 and have had a valid Liquor license since then.

We have also submitted our request for support to our Ward 37 Councillor, Michael Thompson. With the hopes that he will also support our application for extension comes before both next Scarborough Community Council meeting, followed by the appropriate Toronto City Council meeting.

Thank you in advance for your assistance in this matter. It is greatly appreciated.

Should you need to contact me directly either by cell 647-225-6923 or by email joycegeddes@sympatico.ca

Regards,

Royal Canadian Legion Dambusters Branch 617
