Re: Parking Amendments – 600 University Avenue

Dear Chair and Members,

An emergency patient pick-up and drop-off area on University Avenue abutting the site of Mount Sinai Hospital (600 University Avenue) will be needed to accommodate emergency patients for the duration of redevelopment and construction of the private laneway located to the south of the site.

A temporary entrance and an access ramp to the emergency department will be installed on University Avenue. A portion of the ramp will be installed within the existing boulevard allowance on the west side of University Avenue abutting the site. With the installation of the subject ramp, there will be sufficient space available to accommodate pedestrian movements on the west side of University Avenue.

It is recommended that:

- 1. City Council prohibit parking during all times except emergency hospital parking on the west side of University Avenue, between a point 275 metres south of College Street and a point 21.5 metres further south, to provide an emergency patient pick-up and drop-off zone, from March 1, 2018 to August 31, 2020.**
- 2. City Council rescind the existing stopping prohibition in effect from 7:30 a.m. to 9:30 a.m., Monday to Friday except public holidays on the west side of University Avenue, between a point 275 metres south of College Street to a point 53 metres further south.**
- 3. City Council rescind the existing stopping prohibition in effect from 3:30 p.m. to 6:30 p.m., Monday to Friday except public holidays on the west side of University Avenue, between a point 275 metres south of College Street to a point 53 metres further south.**
- 4. City Council prohibit stopping during all times on the west side of University Avenue, between a point 296.5 metres south of College Street and a point 31.5 metres further south.**

5. City Council rescind the existing maximum one-hour parking regulation in effect from 9:30 a.m. to 3:30 p.m., daily, on the west side of University Avenue, between a point 275 metres south of College Street and a point 53 metres further south.

6. City Council rescind the existing parking machine regulation in effect from 9:30 a.m. to 3:30 p.m., Monday to Friday, 8:00 a.m. to 9:00 p.m., Saturday, 10:00 a.m. to 9:00 p.m., Sunday on the west side of University Avenue, between a point 275 metres south of College Street to a point 53 metres further south.

7. City Council rescind the existing parking machine regulation in effect from 6:30 p.m. to 9:00 p.m., Monday to Friday on the west side of University Avenue, between a point 275 metres south of College Street to a point 53 metres further south.

8. City Council rescind the existing taxicab stand in effect during all times except 7:30 a.m. to 9:30 a.m. and 3:30 p.m. to 6:30 p.m., Monday to Friday on the west side of University Avenue, between a point 312.8 metres south of College Street and a point 15 metres further south.

9. City Council direct that University Avenue be returned to its pre-construction traffic regulations when the project is completed.

Sincerely,

Joe Cressy
City Councillor
Ward 20, Trinity-Spadina
