### **SUMMARY**

---

This staff report concerns a matter for which the Toronto and East York Community Council has delegated authority from City Council to make a final decision.

The purpose of this report is to advise Council concerning an application by the property owner of 288 Monarch Park Ave for a site-specific Fence Exemption, pursuant to Section 447-5.C of Toronto Municipal Code, Chapter 447- Fences. The property owner is seeking Council's permission to allow for the existing fence, which does not comply with maximum fence height restrictions stipulated by Section 447-2 of the bylaw.

The fence is installed in the front yard of the property on the East side. It is constructed of wood. The fence is split into 3 sections. The fence is partly constructed on the right of way. The first section on private property is 1.6 m (5 ft 3 in) in height and 2.25 m (7 ft 4.5 in) in width. The second section on private property is 1.32 m (4 ft 4 in) in height and 0.51 m (1 ft 8 in) in length. (This exemption is only for the portion on private property.

The application is based on a complaint that was received and investigated by Municipal Licensing and Standards.

## **RECOMMENDATIONS**

---

Municipal Licensing & Standards recommends that the Toronto and East York Community Council:

1. Refuse to grant the application for an exemption permit, by the property owner of 288 Monarch Park Ave, for a fence that fails to comply with the provisions of Toronto Municipal Code, Chapter 447, Fences and to issue a second notice to the property owner to bring the fence into compliance.

OR

2. Grant the application for a fence exemption permit, without conditions, thereby allowing the fence to be maintained as constructed. Direct and require that the installation be maintained in good repair without alteration. At such time as replacement of the fence is required that such installation will comply with Municipal Code Chapter 447, or its successor by-law.

## **FINANCIAL IMPACT**

---

There is no anticipated Financial Impact from this report.

## **DECISION HISTORY**
