

King Street Pilot – Parklet Cafés & Public Parklets

Date: February 2, 2018
To: Toronto East York Community Council
From: Director, Public Realm Section, Transportation Services
Wards: Ward 20 - Trinity-Spadina and Ward 28 - Toronto Centre-Rosedale

SUMMARY

Transportation Services is requesting approval to create parklet cafés and public parklets in the King Street Transit Pilot area to animate the street. Parklet cafés are curb lane spaces used for outdoor cafés. Public parklets are curb lane spaces for public uses such as street furniture, beautification (e.g., street art and/or planters) and other pedestrian amenities.

Transportation Services will work in partnership with Municipal Licensing & Standards to review and process the applications by businesses or sponsoring organizations for parklet cafés and public parklets for the Pilot area.
