Dear Chair and Members,

Re: Parking Amendments – Dan Leckie Way

Area residents requested amendments to parking regulations on the west side of Dan Leckie Way, north of Housey Street, to improve sight lines and safety at this intersection. Prohibiting stopping at all times on the west side of Dan Leckie Way, between Housey Street and a point 15 metres north, will deter parking within close proximity of the intersection and improve site-lines. Transportation Services, Toronto and East York District staff have investigated and have no objections to the proposed amendments.

Recommendation:

Toronto and East York Community Council:

1. Prohibit stopping at all times on the west side of Dan Leckie Way, between Housey Street and a point 15 metres north.
2. Amend the existing parking machine regulation on the west side of Dan Leckie Way, between Housey Street and a point 75 metres north, operating from 8:00 a.m. to 9:00 p.m., Monday to Saturday, and 1:00 p.m. to 9:00 p.m., Sunday for a maximum period of three hours at a rate of \$3.00 per hour, to operate between a point 15 metres north of Housey Street and a point 37.5 metres south of Fort York Boulevard.
3. Rescind the existing parking prohibition in effect at all times on the west side of Dan Leckie Way, between a point 37.5 metres south of Fort York Boulevard and a point 41 metres south of Fort York Boulevard.

Sincerely,

Joe Cressy
