**Re: Black Lab Brewery Sales by the Glass Permit application to the Alcohol and Gaming Commission of Ontario**

Dear Chair and Members,

I received a request from the owner of Black Lab Brewery that they require a resolution from the local Municipal Council in order to obtain a Manufacturer's Limited Liquor Sale licence, which would allow for a "sales by the glass" permit for their brewery at 818 Eastern Avenue.

**Recommendation:**

That the Toronto and East York Community Council recommend that:

1. City Council support the Black Lab Brewery application to the Alcohol and Gaming Commission of Ontario for a Manufacturer's Limited Liquor Sales Licence for sales by the glass at its manufacturing site located at 818 Eastern Avenue.

Thank you for your consideration.

Sincerely,

Councillor Mary-Margaret McMahon
