Re: Rorschach Brewing Company Sales by the Glass Permit application to the Alcohol and Gaming Commission of Ontario

Dear Chair and Members,

I received a request from the co-owners of Rorschach Brewing Company that they require a resolution from the local Municipal Council in order to obtain a Manufacturer's Limited Liquor Sale licence, which would allow for a "sales by the glass" permit for their brewery 1001 Eastern Avenue.

Recommendation:

That the Toronto and East York Community Council recommend that:

1. City Council support Rorschach Brewing Company's application to the Alcohol and Gaming Commission of Ontario for a Manufacturer's Limited Liquor Sales Licence for sales by the glass at its manufacturing site located at 1001 Eastern Avenue.

Thank you for your consideration.

Sincerely,

Councillor Mary-Margaret McMahon
