Dear Chair and Members,

Re: Heritage Listing for 28-30 Langley Ave

The building located at 28-30 Langley Avenue has a rich history in the Riverdale neighbourhood.

The building started as the nurses' residence to the Cholera Hospital which predated the Riverdale Hospital. The house has a very grand look from the outside, with stained glass and beautiful masonry work. It was also a boarding house for girls and women – a safe place for young women to live who came to the city to work. It is currently used as a licenced rooming house.

I am recommending that the Senior Manager of Heritage Preservation Services be requested to list 28-30 Langley Ave on the City's Heritage Register and report to the Toronto Preservation Board and Toronto and East York Community Council.

Sincerely,

Paula Fletcher  
City Councillor  
Ward 30, Toronto-Danforth
