Dear Toronto and East York Community Council,

Re: 61-69 Niagara Street

The block of homes between 61-69 Niagara Street contribute significantly to the character of the neighbourhood.

I therefore respectfully request that:

The Senior Manager, Heritage Preservation Services research and evaluate the properties 61-69 Niagara Street for inclusion on the City's Heritage Register and to report back to the Toronto and East York Community Council with the results of this evaluation by January 2019.

Yours in community,

Mike Layton
City Councillor
