Cherry Street Parking

Dear Chair and Members of the Toronto and East York Community Council,

Local businesses have contacted Transportation Services indicating that "No Parking 9pm-4am" signs have been removed resulting in long term parking. Upon following up with Signs and Markings Unit City Staff found that the signs were removed in 2017 due to the fact that they were not bylawed. These signs have been in place for at least 10 years (as far back as the google street view goes).

The same parking prohibition exists on the opposite side, west side of Cherry Street, as well as the east side between Villiers Street and Commissioners Street (just north of the subject location), therefore, to be consistent I would ask you to support the following.

Recommendations:

- 1. City Council prohibit parking from 9:00 p.m. of one day to 4:00 a.m. of the next following day, on the east side of Cherry Street, between Commissioners Street and a point 457.7 metres further south.**

Sincerely,

Paula Fletcher
