Subject: Toronto Wine & Spirit Festival at Sugar Beach on June 22 & 23, 2018

Dear Councillors,

We are writing in regards to the 10th Annual *Toronto Wine & Spirit Festival Presented by Sobeys* and in support of Music Therapy Trust Fund of Canada. The Toronto Wine & Spirit Festival is set again to be Southern Ontario's most unique summer event for its tenth year. This year, the Festival will return to Sugar Beach, located at Jarvis Street & Queens Quay East.

Canada's Sugar Beach is a whimsical park that transformed a surface parking lot in a former industrial area, into Toronto's second urban beach at the water's edge. Located at the foot of Lower Jarvis Street adjacent to the Redpath Sugar Factory, the 8,500 square metre (2 acre) park, is the first public space visitors see as they travel along Queens Quay from the central waterfront. The park's brightly coloured pink beach umbrellas and iconic candy-striped rock outcroppings welcome visitors to the new waterfront neighbourhood of East Bayfront. It is easily accessible via the TTC while parking is also available at several lots within walking distance. The area runs parallel to Lake Ontario, providing beautiful scenery as well as a breath of fresh air for all visitors to the area. This year, the Toronto Wine & Spirit Festival is again expected to provide countless enjoyable and memorable experiences for its guests.

In order to ensure that our Festival continues to run smoothly and efficiently for all parties involved, we continue to improve our efforts to provide a safe environment. Our management team is supported by experienced and well-trained event staff. Our team is well versed in contingency plans, which we work on diligently with all of our Festival partners, Sugar Beach, our security companies, onsite paramedics and Wine & Spirit representatives.

We at Drink Inc. Events feel that the *Toronto Wine & Spirit Festival* is significant to the city of Toronto. We look forward to a Festival intended for the people of Toronto and visiting tourists. The Festival is expected to attract approximately 10,000 people, supporting Toronto's thriving summer tourist season.

We hope you agree with our plans for the 2018 Festival and see fit to designate us a significant event to the city of Toronto.

Sincerely
