**Subject: Creemore Springs Street Pub for Music Therapy Event  
on June 7, 2018**

Dear Councillors,

We are writing in regards to the 2<sup>nd</sup> annual *Creemore Springs Street Pub for Music Therapy* taking place this June. The *Creemore Springs Street Pub for Music Therapy* is a free to the public, social event aimed to get anyone and everyone together to listen to live music, play yard style games, and enjoy some great food and drinks. The purpose of gathering everyone together is to bring awareness to The Canadian Music Therapy Trust Fund.

*Creemore Springs Street Pub for Music Therapy* will take place on June 7<sup>th</sup> from 3pm – 10pm. Last year, the event was run in a series, however this location was the most successful and enjoyed by over 1000 people. This year, we expect a larger increase of attendance, which will bring more awareness to the charity!

In order to assure that this event runs smoothly and efficiently for all involved, The Canadian Music Therapy Trust Fund, working with Drink Inc. Events, are diligent in taking all steps necessary in order to provide a safe environment for guests and vendors. Our Management Team is supported by experienced and well-trained event staff. We are well versed in contingency plans, which we work on with all of our partners; our security companies and Drink Inc. Events representatives. As an additional precaution, there will also be a number of paid-duty police officers to assist during the entirety of the street closure events.

We at Drink Inc. Events feel that the *Copper Kettle for Music Therapy Event Series* is significant to the city of Toronto. We look forward to a Festival intended for the people of Toronto and anyone in the area. The Series is expected to attract approximately 2,000 people per event day, supporting Toronto's thriving summer event season.

We hope you agree with our plans for the 2017 event series and see fit to designate us a significant event to the city of Toronto.

Sincerely

Scott Rondeau  
Drink Inc. Events
