To Whom It May Concern/
Dear Madame/Sir:

I am writing on behalf of Not Far From The Tree, a project of Tides Canada, to express our request that the **7th annual City Cider** event be recognized as an Event of Municipal Significance. City Cider is an annual, all-ages urban harvest celebration featuring live music, local restaurants, freshly pressed cider, and a hard craft cider bar from Ontario cideries. All proceeds from the event go to support Not Far From The Tree a Toronto charity that puts Toronto's fruit to good use by picking and sharing the bounty.

The event takes place on Sunday, September 16th, 2018 at the Spadina Museum at 285 Spadina Road. The event runs from 12-5pm. We are expected to have 1000 people in attendance with a \$12 admission fee.

With your approval of the **7th annual City Cider** as an event of municipal significance and a letter of non-objection, our objective is to sell samples of Ontario craft cider by Smart Serve certified staff.

We thank you for your time and look forward to hearing your consideration.

Sincerely,

Sue Arndt
Project Director
Not Far From The Tree
