RE: AGENDA ITEM TE30.51 – TEMPERANCE STREET PARKLET CAFES

The Toronto Financial District BIA is pleased to support the City of Toronto granting a temporary permit to each of Boxcar Social and John and Sons Oyster House for the operation of a parklet café within the north portion of Temperance Street between Sheppard Street and Bay Street.

We have worked with local businesses and the City of Toronto on this program for the past several years and we look forward to the positive impacts of this initiative.

Best regards,

Grant Humes
Executive Director
