Our behalf of the Toronto 2018 Host Organizing Committee, I am writing to you to request a non-objection letter for ROTARYFEST, a Rotary International Convention event.

Rotary International is a global network of leaders, friends and problem-solvers who take action to create lasting change in the world. Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues and work together to promote peace, fight disease, provide clean water, save mothers and children and support education. The Rotary International Convention is an annual event held in a different city around the world, the City of Toronto is the host for the 2018 Rotary International Convention.

ROTARYFEST was created for visiting and local Rotarians to experience the diversity and multiculturalism of the Rotary International Convention host city - the City of Toronto and will take place at Canadian National Exhibition Centre - the lead destination for celebrations in the city. Featuring entertainment, music and food from around the world, ROTARYFEST will pay tribute to the Rotary President, Ian Riseley for a successful year.
