From: Shannon Timms-Ugochukwu

Chair East York Toronto Canada Day Corporation

To The East York Community Council;

The East York Toronto Canada Day Corporation plans and runs the East York Canada Day Festival in Stan Wadlow Park at 888 Cosburn Ave on July 1 every year. This year we would like to host a beer garden on site for the first time in our 61 years.

Our event starts around noon with opening ceremonies and closes around 11pm after the fireworks display. The hours of the beer garden would be from 1pm until 10pm. To get our permit from the AGCO we need a letter stating that our event is of Municipal Significance

For more information about our event please contact I can be reached at the number above.

Sincerely,

Shannon Timms-Ugochukwu

Chair
