The licensed area for the Market Battles / Pop Up Patio Markets will be contained to the South Market Patio and will not occupy any street or sidewalk areas. The South Market patio surrounds the South Market (91-95 Front Street East) along the Market Street, The Esplanade and Jarvis Street sides of the building. Liquor licensing for each event will be from 3pm-10pm.

Please forward this request to the community council for their and your approval for municipal significance of this event. We will be applying to the Alcohol Commission for permitting and licensing the patio.

The help of your office in guiding our request through City Hall would be appreciated. Thanking you in advance.

Sincerely,
