Dear Chair Crawford and members of the Budget Committee,

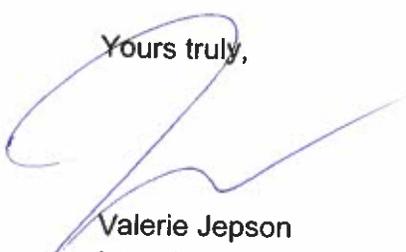

Re: Budget Presentation – Office of the Integrity Commissioner

I have today filed with the Clerk of the Budget Committee a slide deck outlining my recommendations to Budget Committee for the 2019 Operating Budget of the Office of the Integrity Commissioner.

Due to prior commitments agreed to before the Budget Committee schedule was announced, I am unable to attend on February 6, 2019 to deliver the presentation in person. I trust that you will receive a copy of my presentation and that if there are any questions, you will request a briefing note so that I can address your concerns. I am also available on February 13 and 20 to answer additional questions or if the Committee wishes to schedule my presentation for those dates.

I sincerely apologize for any inconvenience that this causes.

Yours truly,

Valerie Jepson
Integrity Commissioner
