**Re: TTC Expansion in Scarborough**

Dear Councillor Gary Crawford,

I am writing this letter to acknowledgement that building transit is key for growth for our business community. By providing better access for residents to get to work faster, this encourages companies to locate in the Scarborough area, - good transit equals easy access for their employees to get to work.

The Wexford Heights BIA is strongly in support of an extension of the Bloor-Danforth subway line to the Scarborough Town Centre and the Eglinton – East LRT.

Our BIA encourages the Budget Committee and Council to stick to the plan of action.

Sincerely,

*L. Reside*
