Subject: RE: Propeller Developments Inc. Re 421 Roncesvalles Avenue / Appeal of OPA 421 / LPAT Case No. PL170857

Without Prejudice

Laura further to our telephone conversation this morning I am writing to confirm that our client would be willing to withdraw its remaining appeal of OPA 421 on the condition that its' application for rezoning as revised is approved and that it has received final approval of a site plan application as required to proceed with construction of the proposed building in accordance with the revised zoning proposal.

If you have any questions or comments please give me a call.
