**Level 18:**

- Rooftop Outdoor Amenity Space, if in a Residential Building (sq.m.)
- Area of Residential Private Terraces (sq.m.)
- Gross Floor Area, as defined in Green Roof By-Law (sq.m.)
- Area of Renewable Energy Devices (sq.m.)

**CC9.24 - CONFIDENTIAL ATTACHMENT 3**

- made public on July 26, 2019
1. These Contract Documents are the property of the Architect. The Architect bears no responsibility for the interpretations of these documents by the Contractor.

2. Drawings are not to be scaled for construction. Contractor to verify all existing conditions and dimensions required to perform the Work and report any discrepancies with the Contract Documents to the Architect before commencing work.

3. Positions of exposed or finished mechanical or electrical devices, fittings, and fixtures are indicated on the Architectural drawings. The locations shown on the Architectural drawings govern over the Mechanical and Electrical drawings. Those items not clearly located will be located as directed by the Architect.

4. Upon written application the Architect will provide written/graphic clarification or supplementary information regarding the intent of the Contract Documents.

5. The Architect will review Shop Drawings submitted by the Contractor for design conformance only.
**General Notes:**

1. Exterior glass of the building will be designed in compliance with Bird Friendly Best Practices Guidelines. Details will be provided in Site Plan stage.

2. Drawings are not to be scaled for construction. Contractor to verify all existing conditions and dimensions required to perform the Work and report any discrepancies with the Contract Documents to the Architect before commencing work.

3. These Contract Documents are the property of the Architect. The Architect bears no responsibility for the interpretations of these documents by the Contractor. Upon written application the Architect will provide written/graphic clarification or supplementary information regarding the intent of the Contract Documents.

4. The Architect will review Shop Drawings submitted by the Contractor for design conformance only.

**NOTE:** Positions of exposed or finished mechanical or electrical devices, fittings, and fixtures are indicated on the Architectural drawings. The locations shown on the Architectural drawings govern over the Mechanical and Electrical drawings. Those items not clearly located will be located as directed by the Architect.
