

REPORT FOR INFORMATION

EX8.11 Supplementary report - Sustainable Energy Plan Financing Program Supporting Toronto Community Housing Corporation, TransformTO and Resiliency

Date: October 1, 2019

To: City Council

From: Josie Scioli, Deputy City Manager, Corporate Services

Wards: All

SUMMARY

This report provides information on the addresses of the 39 buildings that Toronto Community Housing Corporation has requested recoverable debt financing for to install combined heat and power generators. It will create a resilient network of sustainable buildings that will act as a safe haven to shelter residents in place as well as offer shelter to the local community when power is not accessible from the electricity system with most major systems within the buildings remaining operational during a power outage.

FINANCIAL IMPACT

There are no financial implications arising from this report.
