To whom it may concern,

I would like to submit to the City of Toronto, via the Toronto and East York Community Council, a request to obtain a letter of non-objection of liquor licence extensions for The Paddock Tavern at 178 Bathurst St (Ward 10) for the duration of Canadian Music Week, Monday May 6th - Sunday May 12th, 2019.

Of note is that Canadian Music Week has already applied and been granted an extension for a number of locations with the City of Toronto, but this is a separate application specifically for The Paddock, as we were a later addition to the festival and were not included in the prior application.

A letter of support from Canadian Music Week Festival Manager, Steven Dagenais, is attached to this email.

Please email back to thepaddocktavern@gmail.com if you require more information or if this info needs to be sent to a different place.

Thank you for your time,

Nicholas Szidiropulosz

To Councillor Cressy of the City of Toronto and the Alcohol and Gaming Commission of Ontario,

My name is Steven Dagenais and I am the Festival Manager of Canadian Music Week (CMW). This letter is to inform you that The Paddock has officially been added as a late addition to this year's festival from May 6th to May 12th, 2019, and that we are in support of their application for an extension of hours on those dates and ask that you give them the same consideration as the other venues that we've asked for extensions to.

Any questions regarding our support, their status, or otherwise, please email me back at festival@cmw.net.

Best Regards,
